Business Development Manager  
Flying Squirrel Sports, Victoria  
808 Viewfield Rd, Victoria, BC V9A 4V1

Janson James is a dynamic Business Development Manager at Flying Squirrel Sports, renowned for his strategic approach to business growth and client relationship management. Janson, who was born in Kerala, India, graduated from Calicut University with a degree in business and served as the Student Council Chairman.

After graduation, he worked as a Back Office Manager in a Reliance retail Store from 2022 to 2023. In August 2023, he migrated to Victoria, BC, to complete his study, gaining a Post-Degree Diploma in Business Administration with a concentration in General Management. His journey in Victoria began in September 2023 with a position as a Customer Service Representative at U-Haul Moving and Storage. Within ten months, Janson was promoted to Centre Storage Manager, demonstrating his exceptional work ethic and leadership abilities. In 2026, he became the General Manager for the Victoria the location.

In his current position at Flying Squirrel Sports, Janson is responsible for increasing the company's market presence and revenue growth. His duties include developing strong client connections, teaching potential customers about the company's goods, and enhancing the organization's reputation through smart marketing. Janson adds to the organization's financial health by utilizing his knowledge of cash flow management and planning.

Janson is passionate about business growth and building good connections, and he is devoted to providing outcomes that are consistent with the company's objectives. His collaborative attitude and commitment to excellence make him a valuable member of the team.
